

LPA 12 MISSION STATEMENT

Our Mission is to enable the Catholic Community to work in a spirit of unity and goodwill,
working together and sharing resources.
We aim to create a harmonious environment
by:

- Holding on to all that is good from the past;
- Not doing individually what we can do as a group;
- Reaffirming and supporting the Eucharistic Community;
- Creating a Church that is a safe gathering place for all where healing can be found and faith nurtured;
- Encouraging innovative ways for the development of our spiritual life;
- Recognising that the 'bigger picture' takes precedence over parish boundaries.
